The Hispanic Heritage Council of Western New York, Inc. is a nonprofit organization that exists to foster and inspire awareness, understanding, and appreciation of past, present, and future contributions of the Hispanic Community in Western New York. It is a volunteer run entity that depends solely on charitable contributions in order to sponsor a myriad of cultural events throughout Western New York.

Over the past year alone, the Council has sponsored and/or collaborated with a variety of arts and cultural institutions to bring over 50 activities to our community, including:

Día de los Tres Reyes Magos / Three Kings Day

El Día del Niño / Day of the Child

Cinco de Mayo

Hispanic Heritage Month Kickoff -month-long celebration

Hispanic Heritage District (Niagara Gateway Corridor)

In addition, the Council is the lead organization in a historic collaboration with the Buffalo & Erie County Public Library, Historical Society, and University at Buffalo in a project that is the first of its kind and which is gaining national notoriety. The *Hispanic Heritage History Project* seeks to preserve the stories of local Hispanics, both past and present, for future generations.
