WELCOME / BIENVENIDOS

The Hispanic Heritage Council of Western New York, Inc. is a nonprofit organization that exists to foster and inspire awareness, understanding, and appreciation of past, present, and future contributions of the Hispanic Community in Western New York. We are dedicated to preserving the history of Hispanics in Western New York for future generations.

COMMUNITY

The Council shares our community's grief after the horrific act occurred on May 14, 2022 in Jefferson Ave. Tops Market. On that day ten of our neighbors were targeted, for no other reason than the color of their skin, and cold-bloodedly murdered. We will remember and name these individuals, because racial hate and domestic terrorism is not acceptable. We must work together to create an atmosphere of acceptance, where we don't discriminate a person because of their race, age, financial status, heritage or culture. We are different individuals, but with the same rights and liberty.
