About us...

The Hispanic Heritage Council of Western New York, Inc. is a nonprofit organization that exists to foster and inspire awareness, understanding, and appreciation of past, present, and future contributions of the Hispanic Community in Western New York. It is a volunteer-run entity that depends solely on charitable contributions in order to sponsor a myriad of cultural events throughout WNY.

Over the past year alone, the Council has sponsored and collaborated with a variety of arts and cultural institutions, offering activities that highlight our Latino community. Some of those include:

- El Día del Niño / Day of the Child
- Hispanic Heritage Month Kickoff & month-long celebration
- Avenida San Juan Christmas Ornaments
- Parranda Buffalo

In addition, HHC held in person classes and concerts as part of the HHC Guitar Initiative, which is a comprehensive program whose objective is to involve the community of WNY in the guitar culture and enrich the community's life through a world-class International Concert Series and a free After-school Guitar Program. For more information on these events, the Guitar Initiative and upcoming activities, please visit the Hispanic Heritage Council of WNY, Inc. website at www.HispanicHeritageWNY.org.
